Kamala Harris is using Beyoncé's 'Freedom' as her campaign song: What to know about the anthem

In Vice President Kamala Harris' first 2024 presidential campaign video, a familiar rhythm rings out. The clip, which touches on issues of gun violence, health care and abortion, is soundtracked by Beyoncé's "Freedom," a cut from her 2016 landmark album, "Lemonade."

Kamala Harris @KamalaHarris · 4. aug.

This election is a fight for our country, our future, and our most fundamental freedoms and rights.

We believe in the promise of America—and we’re in this fight because we know what’s at stake.

Trump and Vance talk a lot about “freedom” – meaning government should be free to invade your bedroom, your children’s school library, and doctor’s office.

That isn’t freedom.

Donald J. Trump

TRUTH.

Just four years ago I was a very popular and successful President of the United States, getting more votes than any sitting President in history. Tomorrow morning I’ll be in Criminal Court, before a totally conflicted Judge, a Corrupt Prosecutor, a Legal System in CHAOS, a State being overrun by violent crime and corruption, and Crooked Joe Biden’s henchmen “Rigging the System” against his Political Opponent, ME! I will be fighting for myself but, much more importantly, I will be fighting for our Country. Election Interference like this has never happened in the USA before and, hopefully, will never happen again. We are now a Nation in serious Decline, a Failing Nation, but we will soon be a Great Nation Again. November 5th will be the most important day in the History of the United States. MAGA2024! SEE YOU TOMORROW.

Level E & D Discussion/ Debate club	The Republican Party	The Democratic Party
<i>Human and social values</i>	Emphasis on individual freedom.	Emphasis on community.
<i>Taxation</i>	Lower taxes for all.	Higher taxes, especially for high-income earners.
<i>Military</i>	Enhanced funding	Reduced funding
<i>Healthcare</i>	Values private healthcare services and low degree of government interference.	Values equal access to some form of government-supported healthcare.
<i>Immigration</i>	For strong border control and deportation of undocumented immigrants.	For residency of certain undocumented immigrants.
<i>Religion</i>	Values religious freedom – such as defending marriage as a bond between a man and a woman and promoting the right to display religious scripture in public.	Values religious freedom – such as advocating for legal marriage between any two individuals and a clear separation of church and state.

Sum gode ideer ved bordene

Hvordan kan vi arbejde med dele af det amerikanske valg på alle niveauer?

Hvordan kan vi træne kompetencerne describe, comment on og discuss uden at falde i teaching to the test?

Thanks 😊
Have a nice day
